Project	Details
Dau Tieng Tay Ninh	<p>DTE always complies with environmental management requirements as prescribed by law.</p> <p>CSR activities in 2024</p> <ul style="list-style-type: none"> • Support to buy medical insurance for pupils in Duong Minh Chau District 2024 (Jan, 2024) • Support Tet gifts for social security fund in Tan Chau district 2024 (Jan, 2024) • Support Tet gifts for poor households in Tan Hung commune 2024 (Jan, 2024) • Support Tet gifts for poor households in Suoi Da commune 2024 (Jan, 2024) • Support Mid- Autumn gifts for poor children of Suoi Da commune in Mid-Autumn 2024 (Sep, 2024) • Support Mid- Autumn gifts for poor children of Tan Hung commune in Mid-Autumn 2024 (Sep, 2024) • Build up a higher quality environmental for local pupils at Suoi Da A Primary School (Aug, 2024) • Build up a higher quality environmental for local pupils at Suoi Da A Primary School-Lunch and Big Cleaning Day Activity for the Kids (Aug, 2024)
Phu Yen TTP	<ul style="list-style-type: none"> • The Phu Yen plant continuously applies a waste management plan following the issued procedures. Besides that, the plant is planning to sign a contract with a unit that has the function of collecting, transporting, and treating hazardous waste to ensure that the collection and treatment comply with current environmental laws. • TTPPY has achieved ISO 14001:2015 certification as originally planned. The certification issued by SGS Vietnam is proof of the implementation

process of applying the Environmental Management System by the current standards. In the following years, the Phu Yen plant will continue to maintain the application of the system by the requirements of this standard. In addition, issues of Environmental and Social management are also given more attention, and the second monitoring of the project's impact on birds is also preparing related items for implementation in April 2025. And up to now, the Phu Yen plant has achieved 2,151 safe working days.
