

Contribution to External Organisation and Association

B.Grimm Power adheres to Corporate Governance principles by fostering a corporate culture, Business Ethics and Code of Conduct to achieve sustainable growth; economy, society, and environment. Including the eradicating corruption from society is a priority that requires the participation of every organisation at national and international levels. We aim to create a solid foundation of good corporate governance to achieve sustainable value creation and ensure a sustainable economic growth. B.Grimm Power does not make any donation or support any political activities, political parties or politicians. We make monetary contributions to trade associations solely on membership fees, and exhibition sponsorships.

Contribution Priorities

B.Grimm Power delegates our experts to join the trade associations or tax-exempt groups as a board, committee and working team member to share knowledge and opinions on relevant issues as follows:

Issue or Topic	Corporate Position	Description of Position / Engagement	Total spend in 2022 (Baht)
To support best practices toward the Electric Utilities Industry in Thailand	Support	B.Grimm Power is the board members of the Association of Private Power Producers (APPP) to promote the research, development and enhancement of the production and services processes while encouraging the members to consider the environmental preservation and conservation. Other than that, we support the Federation of Thai Industries (FTI), the IEEE Thailand Section (IEEE), Electric Vehicle Association of Thailand, Electricity Supply Industry Association of Thailand (TESIA), Thai Industrial Estate and Strategic Partner association, and Thai Renewable energy (RE100) association for the sustainable development purpose aligning with the industrial context.	2,551,426

Issue or Topic	Corporate Position	Description of Position / Engagement	Total spend in 2022 (Baht)
To provide financial support and guidance to corporates with Environment, Social and Governance (ESG) practices	Support	B.Grimm Power is a member of the Thai Institute of Directors Association (IOD) with purpose to promoting good governance practices in the Thai companies. Moreover, we are also a member of the Thai Chamber of Commerce, and the Thai Listed Companies Association (TLCA) with the purpose of consultation, networking, and discussions about regulations, corporate governance, economic issues and ESG practices. These allow us to communicate and exchange best practices to enhance our process.	96,160

The top three organisations received the highest contribution from B.Grimm Power

Organisation	Type	Total spend in 2022 (Baht)
<p>The Federation of Thai Industries (FTI)</p> <p>The Federation of Thai Industries (FTI) is a private sector digitalisation that brings together industrial leaders to promote Thailand's economic development with objectives to promote and develop industrial enterprises, to work with the government in setting up national policies, and to offer consulting services to members. This assists us in our efforts to digitalisation, innovation and expand our business in a sustainability way.</p>	Trade Association	1,688,886
<p>The Association of Private Power Producers (APPP)</p> <p>The Association of Private Power Producers (APPP) is an organisation that represent a group of good governance private power producers to promote power industry development sustainably with responsibility. This will raise awareness of stakeholders' concern and by sharing with members, build an excellent operation for B.Grimm Power.</p>	Trade Association	770,400
<p>The Thai Institute of Directors Association (IOD)</p> <p>The Thai Institute of Directors Association (Thai IOD) is a non-for-profit, membership organisation, established with support from Thailand capital market core institutions namely, the Securities and Exchange Commission, The Stock Exchange of Thailand, The Bank of Thailand, and the Foundation for Capital Market Development Fund, as well as international organisation such as the World Bank. Today, the Thai IOD is accepted domestically and internationally for its leading role in corporate governance, and have been cited as one of the most successful professional body in the national and international forums.</p>	Trade Association	44,800
